Description

This impressive machine offers tremendous versatility, accuracy and performance through a huge range of applications.

Combining both mitre and table saw functionality the RAGE6 is as proficient in making accurate cross cuts as it is handling sheet materials.

It will easily cut Steel, Aluminium and Wood (even wood with nails), using just one blade, and the cut through steel produces no heat, no burr and very few sparks.

Includes:

- RAGE 255mm Multipurpose Blade
- Hold Down Clamp
- Push Stick
- Rip Fence
- Allen Key
- Operator's Manual

Features

- Cuts Steel, Aluminium, Wood & Plastics.
- Easily cuts wood with nails.
- Fast, clean and accurate cutting performance.
- Produces no burr, no heat and very few sparks.
- No coolant required.
- Cast aluminium table provides precise cutting surface.
- Solid, sturdy adjustable rip fence.
- Easy to safely switch between functions.
- Mitre stops left & right: 15°, 22.5°, 30°, 45°.
- High quality construction with 12 months warranty.
