## Description

This machine is designed to cope with a wide range of woodworking tasks. It features a large cast-iron table with a tilting spindle for greater flexibility, 4 spindle speeds and a heavy-duty fence and clamping system - ideal for intricate work pieces and resulting in safer operation. The solid build (weighs over 170kg) and advanced design mean this machine is perfect for woodworking professionals as well as serious amateurs.

## Features

- Table pre-drilled to accept power feed unit
- Low speed for use with the sanding bobbin included
- Table height 900mm
- **2 year warranty**
