Description

The SIP Belt/Disc Sander is a powerful combination sander that will satisfy even the most demanding user - there are very few sanding jobs that it is unable to tackle! The tilting table is made from cast iron with a smoothly finished surface. Supplied with cast mitre for optimum accuracy.

Features

- 230v (13 amp) supply
- Cast iron machined tilting table
- Cast mitre fence
- Includes floor stand
- Belt sander can be positioned upright for sanding of large end grain timber
